

# Find your path

Explore your career options with Kaiser Permanente's new career paths tool.

Are you a Kaiser Permanente employee or manager looking to advance? Change fields? Secure your future?

Visit the new career paths tool at [kpcareerplanning.org](https://kpcareerplanning.org). It is:

## PERSONALIZED

Create a personalized action plan to reach your goals.

## INTERACTIVE

Fill out a profile and find opportunities that link your skills, interests and education to careers at Kaiser Permanente.

## EMPOWERING

Today's careers may take many twists and turns. The new career paths tool helps you discover opportunities. Create an action plan just for you.

## CREATE A PROFILE

Any Kaiser Permanente employee can fill out a career paths profile. It's easy. Just follow these 3 steps:

1. Visit the new career paths tool at [kpcareerplanning.org](https://kpcareerplanning.org) and sign in using your desktop credentials.
2. In the career paths tool, click on the person icon on the upper right and select "Profile."
3. Follow the prompts to fill in information about your career, education and interests.

## EXPLORE YOUR OPPORTUNITIES

Filling out a profile will give you valuable information to:

- » Identify your skills and interests.
- » Explore jobs that match your interests.
- » Complete an action plan for your career growth.
- » Follow the action plan to prepare for future roles.

Try the new career paths tool at [kpcareerplanning.org](https://kpcareerplanning.org).
